

## Bug in the map De\_assault\_nin\_v3

Posted by H.V.Reported? - 02 May 2011 08:53

---

Hi.

In the map de\_assault\_nin\_v3 theres a bug

at the port you turn left then you can see a dead hostage or what it is

and a lot of blood.

if you walk over that you will go into the ground and up again.

ask substick i think he can explain it alot better than me 🤔

I can't really explain it 🤔  
but there is def a glitch.
