

WCS Server often crashes

Posted by xciting - 27 Jul 2011 13:46

in the last days the server often had crashed, but whats the prob? 🙄

im very saaaad, can it be fixed or..?

thanks mr.moo it helped a lot to understand a few reasons why the server crashes 🙄

i thought there are another reasons for the crashes but as u said...

i never thought a wcs server is connected to such a high cost, but u've cleared me up 🙄
