So anyone in TWK still mix? and do you have a mix/match server? I'm up for any mixes with you guys. Also where has DS gone, I haven't seen him around in a while.

Some of us like myself still mix, and we also have a match server(hasn't been live tested as we have just played server off so far) but currently am quite busy sorting out wcs server. if you still have ts info, just connect guys are mostly on every night, usually playing other games, but tend to come for a mix if asked ^^.

I think it's looooong overdue time to get a reunion together! It's been such a long time 😊

You'll be shocked to hear it's been almost a year since i last played WoW (cold turkey over!) 😊

Hey Ami! Nice to see you, how have you been? Good to hear you're off the crack now. I've not been around that much, haven't been able to get on source plus uni work kinda gets in the way.

Cheers reacT, I'll try and pop on sometime soon.

Good to see some of the old guard are still kicking around.
