

CSS Deathmatch GunGame server down

Posted by Shootme - 17 Jan 2012 19:21

Looks like its down...ish

looses ping etc and cant access now

any one can look into this

Cheers

lol, its back 😊

Yeah, this time it appeared to be down for updating, there was a C:SS update 😊

Probably moving a barrel a few millimetres on dust... -.- most of the other updates seem as pointless
