

WCS PROBLEM

Posted by awais1 - 10 Sep 2011 08:55

Helloooo,

iv'e played twk wcs for sometime now and i've just encountered a bug/glitch, after getting about 12 levels on my SILVER SURFER race i was reset to 0 when the map changed.

Thanks for reading

Awais

I didn't mean you mentoz (sorry) I ment colin reset his levels on silver serfer because he asked.

Sorry about that didnt notice that i had put it 🙄
