Was this guy hacking?

Posted by Nemx - 05 Mar 2012 13:41

_____

Hey all, just playing and this guy joined me, he was going very fast, at first i just thought maybe he is playing a fast race, then i thought no its to fast. I recorded him on css and have his steam id, i don't know how to send the video though because its a .dem -.- lol ☺

He was the race Orcish Horde thats how i know that it wasn't his race ☺

_____

No, its better to post it here. Also Orcish Horde doesn't get speed so he could have only got speed from the boots of speed and they don't make you very fast. Could you please upload the demo to imageshack or something so we can download it and look at it ☺
Also can you tell me the name of the guy.
