

Was this guy hacking?

Posted by Nemx - 05 Mar 2012 13:41

Hey all, just playing and this guy joined me, he was going very fast, at first i just thought maybe he is playing a fast race, then i thought no its to fast. I recorded him on css and have his steam id, i don't know how to send the video though because its a .dem -.- lol 😊

He was the race Orcish Horde thats how i know that it wasn't his race 😊

EDIT: Why is there 2 posts of this? can someone delete this one please. sorry didn't notice

upload the file and post the link, so we can see the video, and maybe the hacking guy 😊

EDIT: sorry, didnt notice the other post. dont answer to this 😊
