Yea... didnt know where to post this tbh, as theres no actually forum to post demo's or report hackers.
(Mabe im just blind 🙄)

www.4shared.com/file/256841445/63436957/cheater.html:3jv1ktia Theres the link, and his steam I.D is
STEAM_0:1:26441744 - Under the name "Vicent"

if a password is needed for the file, it should be danskie

Thnx alot 🙄
