

Will XYZ ever go away....?

Posted by liger - 15 Nov 2010 02:09

Will the chain mails ever cease to exist? Will ppl wisen up and stop this madness?

PS: madness? SPARTA!

WTF?

Chainmails are a part of the internet 😊
Live with it!

well the topic was made for ppl to post about whats been bothering them for many years.

On that day, its pretty easy to see what was on my mind 😊

Stupid acrobat reader icon, appearing after every reader update

Dont know if its a blessing or a curse that adobe is slow as a turtle with updates
