

cheater?

Posted by M3ntoz - 08 Dec 2010 13:07

Hello,

I've been playing alot on the wcs server and this weekend I was playing with Ashen, when i specced him, he made some suspicious moves and i was thinking of wallhack. I also found out he has a banned steam account. all information and vids are below.

M3ntoz

same pics on banned account:
