

## to old version :s

Posted by M3ntoz - 18 Dec 2010 09:14

---

When i tried to connect to the wcs server this morning, it said it has an old version and i can't run it :s

screenshot: <img12.imageshack.us/i/css3l.png/> onclick="window.open(this.href);return false;

Yep ! good job there DS

Now let's hope Sourcemod & Metamod are gonna give as a update soon, cause it's hard to keep it running smoothly without them ( No mapchanges, can't mute irritating people & the wcs effects don't work O.o )

Regards
