Hey guys been told to post here, I recently obtained permission from VooDoo to remake aim_snowak47, so here it is; I would like criticism also from those who have played the original

www.zshare.net/download/92645747a14db48c/

Also i have a map i made some time ago;

aim_boxes, same scenario, if you like it I wouldn't mind seeing in server (hopefully depending on what everyone thinks)

well guys,

lemme know what you think.

NICE, Hope they get uploaded very soon XD
