

Wcs Patch - Reward Hall

Posted by Pooky - 03 Jun 2011 17:18

The Twkgaming community is proud to share with you, our latest features we have been working on.

Reward Hall

From now on, you can find a new fancy button in the top main bar. In that section you can look at some goodies we're offering as a little thank you for donations. We aim to provide the best possible gaming servers we can and achieve the smoothest, best-configured and responsive servers possible. Any donations to TWKGaming go directly towards supporting this ethos and help us to improve, expand and move forward our amazing community.

Remind to read the rules carefully, before donating.

Wcs Update

The wcs admins have been working on a couple of new features :

- 20 New Public races (Low - Mid - High lvl)
- New maps
