

Possible bad wcs server crash

Posted by Liquid Snake - 08 Jul 2011 20:55

Hello everybody just wanted to inform the admins that wcs seems to be down :s.. is this coz of another css update or is it a proper crash? coz it seems like a crash

thanks Ekitai Hebi, Liquid snake 😊

Yea the bastard crashed on us again! Just when I was pwning everyone 😊
Server might not be able to handle my skills

i assure you the server can handle those bad skills of you just fine, the thing it cant handle is you playing bill gates the whole time 😊
nah im just kidding probly something mocked up again (i blame colin as he was the last one who updated the server)
