

## english plz?

Posted by sh4dowr - 26 Aug 2011 19:21

---

i joined the wcs server and there were these chipmunk sounding children speaking a language that sounded somewhat arabic, i don't think they understood me when i told them to speak english.. so.. yeah just saying

kids in any language annoy everyone lol 🤡  
esc - player list - mute player solves it

Well I warned and muted 2 people for speaking a diff language last night and they sounded like the people you are on about 🤡  
just message an admin on steam if it happens again 🤡
