He's usually nice. But lately have been raging alot:(

Also not abiding by server rules.

Have warned him but he simply says "I don't Care";

Will upload demo later...

\*DEAD\* penguin (buying games) : fuck u fucking gaylords

Raiden - level: 16 - XP: 816/1360

penguin (buying games) : can play only with a

Demoniac : don't do that..

Thunder God

penguin (buying games) : good races

Well I agree. You should however lift the ban för Penguin and ban the other penguin... I was not refering to &quot;our&quot; penguin, but the one named penguin (buying games)

EDIT: Ban lifted for Penguin, ty M3ntoz 🙄

Yeah I agree with Colin, has to be the same rule for one and all... No exeptions tbh. Otherwise this policy will never stick...
