Was thinking; who is allowed to be using the tag? just those who's in the gaming clan, or can I as a player of the wcs server use it to promote when I don't play on your servers?

Just some thoughts 🤔

Only community members (which includes the clan ofc) are permitted to wear the tag.

You can apply to become a community member here...

[www.twkgaming.com/joinus&quot;](http://www.twkgaming.com/joinus&quot;) onclick=&quot>window.open(this.href);return false;
