

## **AWP INDIA - DEATHMATCH**

Posted by Premi - 05 Oct 2008 14:31

---

plz can you change it to awps only as it's an awp map...

Hmm, unfortunately, this isn't easily achievable as the DM mod doesn't allow per map configuration. Also, using different guns is part of DM. When the map comes up on Source I believe that it is AWPS only.
