AWP INDIA - DEATHMATCH Posted by Premi - 05 Oct 2008 14:31 plz can you change it to awps only as it's an awp map... Re:AWP INDIA - DEATHMATCH Posted by DreamState - 05 Oct 2008 14:47 Hmm, unfortunately, this isn't easily achievable as the DM mod doesn't allow per map configuration. Also, using different guns is part of DM. When the map comes up on Source I believe that it is AWPS
