

## funny death screens

Posted by ReAPeR - 25 Feb 2010 13:09

---

seeing as noone else has poster i though i might post some funny/cool deaths screenshots i have got 🤔

<img194.imageshack.us/img194/8361/detides0000.jpg>&quot;

onclick=&quot>window.open(this.href);return false;

<img25.imageshack.us/img25/3752/csoffice0000sw.jpg>&quot;

onclick=&quot>window.open(this.href);return false;

<img528.imageshack.us/img528/2750/csoffice0009.jpg>&quot;

onclick=&quot>window.open(this.href);return false;

<img19.imageshack.us/img19/7832/dedust20009hv.jpg>&quot;

onclick=&quot>window.open(this.href);return false;

<img8.imageshack.us/img8/6708/depiranesi0000q.jpg>&quot;

onclick=&quot>window.open(this.href);return false;

<img99.imageshack.us/img99/6088/hahaj.jpg>&quot; onclick=&quot>window.open(this.href);return false;

<img52.imageshack.us/img52/2439/surfalpine0000.jpg>&quot;

onclick=&quot>window.open(this.href);return false;

feel free to post more on here! 🤔

Just a few from my Xfire

[screenshot.xfire.com/s/89706411-3.jpg](https://screenshot.xfire.com/s/89706411-3.jpg)" onclick="window.open(this.href);return false;

[screenshot.xfire.com/s/86566882-3.jpg](https://screenshot.xfire.com/s/86566882-3.jpg)" onclick="window.open(this.href);return false;

Not CSS but hey ;

[screenshot.xfire.com/s/50445074-3.jpg](https://screenshot.xfire.com/s/50445074-3.jpg)" onclick="window.open(this.href);return false;

After I saw the second screeny I realise why the AK, for me, is so hard to aim. He aint aiming forward, he is actually aiming to the side! You need magic bullets for that AK. Prob the kind used in the kennedy assassination 🤔

EDIT: This is how my AK would look like;
