

WCS Map / Race

Posted by dnZOr - 04 Apr 2010 16:40

Well, this isnt so much a "Request" yet.. more of a question. I'm thinking of making a new map / WCS Race or 2, and wondering the chances of them getting onto the server.

Thnx 😊

im sure everyone is up for trying out new maps so shouldnt be too much of a problem just getin touch with ds or one of the (noob) seinor admins about it when you have the map ready for testing 😊
