

## Priest problem

Posted by Grim4118 - 05 Feb 2011 09:54

---

I think this race is overpowered. i was playing against someone who had it and they had over 350 health!! can this get fixed. The race is Priest

lol it is still hard though!!

Dont spray and pray and they die.

Restricted All health items from shomenu for priest ( At least i think i got em all)

And gimped em a bit.

Ty for report
