Hi.

About the race Hermes.

Its a good race but the ulti is freaking annoying to hear all the time 🙄

can you please remove the sound on the ulti ?

Have a good day and think about it 😊

Lolz, it has the sound on victim, attacker & ulti skill

Consider it done 😊

Leave the one for the attacker and maybe the victim?

I left for Spawn (User only) and the ultimate (Global)

Cause the succes rates on the victim & attacker skills are rather high 😊
Cheers though waltz
