

## Constant Abuse and Disciplinary Action

### Part I;

Just had yet another smashing game of |&quot;Move out!&quot; \*Ward\* \*Grenade\*| on anti\_camper. Can't seem to find an admin about, so i'll post this here.

#	userid	name	uniqueid	connected	ping	loss	state

#	13	&quot;Darkangel64&quot;	STEAM_0:1:39858051	34:37	91	0	active
#	23	&quot;PowerPiranha&quot;	STEAM_0:1:40766633	15:10	75	0	active
#	6	&quot;xXBodyKillXx&quot;	STEAM_0:1:22373666	35:22	145	1	active
#	7	&quot;Xi.&quot;	STEAM_0:1:3592754	35:21	49	0	active
#	26	&quot;Guardians_of_Hell(s)&quot;	STEAM_0:0:33430676	06:47	89	0	active
#	10	&quot;Zx-MaGiKOxi[i]&quot;	STEAM_0:1:20374859	35:18	103	0	active
#	11	&quot;X_DaRk\$!deR\$-x^^=)123 no sound&quot;	STEAM_0:1:33303679	35:11	98	0	active

Believe it or not, all the **Bold** out players RUINED the game, they emptied half the bloody server. Something seriously needs to be done about this, because it's happening too often and everyone ends up raging at me to sort it out. - Which leads me on to..

### Part II;

I would like to request ( **REQUEST**, i'm fully aware my chances are slim) that i become a temporary basic admin for wcs, even if it's just being able to use the admin chat to strike fear into the minds of CONSTANT RULE BREAKERS.

Everyone keeps looking to me for assistance, but in this scenario, i'm just like them. If you're not a fan of this idea, then i'll move you on to the outstandingly concluded Part 3.

### Part III;

I am willing to look through every race, every map and every grain of sand, to find out what races should be restricted on what maps. A few small examples would be;

1. Shadow Hunter should be restriced on Anti\_Camper/Aim\_Deagle etc due to the maps size.
2. Race restrictions on maps such as Bill Gates, on Scoutknifez/Aim\_Deagle

Hope you all give this a good read through, and i hope i can help make wcs the best it's ever been.

LOTS AND LOTS OF LOVE FROM DOM ;D

Don't worry, someone is fixing it as we speak. I don't know why the radius of the wards were so big or why they aren't restricted on anti and deagle, they used to be but anyway, we are sorting it now  
Well Conell is sorting it.

you know how to scrypt races?

if not, add me on steam, i can help ya with the basic learn things, the specialist things you need pooky for that, but i heard he was 2 busy atm

EDIT : Bill gates shouldn't be restricted on any map.. if they would fix the restrict item for each map 🙄

then bill gates wouldn't be a problem

ye but aviv, the wep restrictions aren't our fault. The wcs server we are running right now can't have weapon restrictions because python has a bug in it or something. So we can't do anything with the wep restrictions.

agree with darkangel.

he should be banned, i told you in steam substick, but you didnt answere 🙄

there is no argument why we shouldnt ban him:

-he's using wards on spawn

-speaks a strange language

-ignores warnings, pleases, etc.

as far as i know react or tunes (i guess) , is waiting for a new wcsupdate, because the wep restriction is caused by the wcsupdate
