In-Game Name

Coolio

Why Me?

Well, I really like the warcraft server, and the people that play on it. The warcraft server is the only one I play on when I play CS:S . Im already a member of the clan, and i joined because i think it is a great community.If I got admin, I would help as many people as i possibly can, who need it.I would never abuse being an admin if i got it.

My Admin Experience

I'm not the most experienced when it comes to CS:S although I have been an admin on a server.- I know all the basic admin commands and if theres more to learn, Ill learn it.

How Long have i played TWK Servers?

I have been playing on the TWK warcraft server for approx 3 months now, and my game time on it sums up to about 3 hours (probably would have more hours, but reality gets in the way sometimes....) I really enjoy the server, and the clan.

Hope you read this.

Merry christmas!
