

Im sick of it.

Posted by Coolio - 10 Jan 2011 20:55

I'm really, really sick of all the knife races.

They ruin every map.

They ruin scoutknifez3.

and at some point, 70-80% of the enemy team has been knife races.

It's really bugging me out.

In short, I'm hating the knife races. I'm sure some other people are too doubt you'll do anything. just saying.

I think we need to wait on the limit on the amount of players that can use the same race in a team.

Like, they are actually making me want to completely leave the WCS server.....

they are extremely annoying, especially on small maps.

Certainly races such as vagabond need to be limited to 1 per team.

Coolio, the whole point of wcs is to counter other people. Nights elves ultimate or serpent wards are a good thing to use against knife races.
