As you all must notice, he really pwned the database and the webserver like a boss... NOT

Stupid ass kid, he also got a complain on Virgin Media for illegal hacking attempts and this thread was sent as proof and other traffic I usually gather on the honeypot server
Maybe he'll get his internets off for awhile...

haha, man i'd love to see his face when that happens

Correction number one:

colin1uk wrote:

nice work tunes , thought u might **do** that.

Correction number two:

colin1uk wrote:

nice work tunes , I knew you'd **do** that.
