

New skins (Limited)

Posted by Penguin - 13 Oct 2011 21:36

Since it's not far from Halloween I thought some skins could be useful 😊

What you think?

Scream:

I think its an awesome idea 😊

I think we should get special skins for people in the clan xD like a frog skin for froggy or a gimp skin for gimp 😊

they look awesome 😊
and a gimp skin sound even more awesome!!
but yaa too much dl suucks, maybe replace some? like some of the terrorist skins coz i hate like 2/3 there 😊

Ohhh how thoughtful, thanks 😊

Bonez with animated fire isnt such a great idea because it will be hard to see it in bright places i think

Haha ye I do agree that it might take too long to download 😊

shame you can't only make certain people download it but then you would appear as an error for people 🤔

I dno what skin I would have though 🤔
