Post any suggestions here (someones gotta start something...)

here's a few i can suggest:

www.fpsbanana.com/maps/20959:18v8m8pl

www.fpsbanana.com/maps/60074:18v8m8pl Why should ct's be the only ones with a big building?

Hey Cheken,

Thanks for your input, I will have a look at those maps.

Let me get some stuff sorted and will deffo add some to the rotation.

Hey

I used to play on another wcs server for quite some time and there was a map which was always loved by all the players:

I'd say, give it a try ! 😊

Greetings

Was looking into some new maps and found some that might do well.

Before i forget, thanks for editing those special Xmas maps => it's fun to have some variation ^^

Now then, here are some possible maps. If u have the time to look at them and even edit them so we can try em out ?

www.fpsbanana.com/maps/4135:1hrubnmd

www.fpsbanana.com/maps/117846:1hrubnmd

www.fpsbanana.com/maps/16860:1hrubnmd

www.fpsbanana.com/maps/33717:1hrubnmd -> Christmas-ish 😊

And perhaps the normal scoutzkneze, but can't find it lolz, only special versions like the last one.

Regards
