

## Battlefield 3 open beta is out!

Posted by FroggyFace - 29 Sep 2011 14:54

---

Come join the fight!

[www.battlefield.com/battlefield3/1/beta](http://www.battlefield.com/battlefield3/1/beta)

No COD high voice kids allowed 🙄

Just kidding, you know i love you guys 🙄

But yet no COD high voice kids allowed

**FroggyFace wrote:**

Sure you hit the requirements?

Yes, i exceed the requirements by a bit..

Yes, i exceed the requirements by a bit..

Have you tried to join a server from the server browser?

You should try to join once that are from the UK

By the way what OS do you have, Voodoo

I know its windows 7 but which kind is it(32b or 64b, Ultimate or what not).

Matchmaking ain't working for me either, so I just randomly connect to servers from the serverlist 😊  
Just click multiplayer and it should be working for u
