don't get me wrong - it's my favourite game but it was COD1 and COD:UO that got me properly into online gaming. The multiplayer on it was superb - that pish that they call multiplayer on the modern warfare games has nothing on the originals.

so i say, u noooooooooooooooooobs stay twue too our css roots 🤪

ehm, my fps roots are in Battlefield 🤪

My fps root are Wolfenstein 3D EGA version...

Oh, totally forgot about that game 🤪
