

Starcraft 2 community match?

Posted by Johannicus - 02 Aug 2010 21:11

Since so many have bought the game how about a cummunity match/evening? Not this weekend, as I will be away, but the one after or something?

We could play some friendly 4v4, 2v2v2v2 or FFA while talking over Vent. Anyone intrested?

interested but a bit later

Havent started multi yet.

BTW anyone tried voice within the game? Any good?

Interested to see if my Laptop will play it even in lowest settings... LOL

Will be off to Switzerland next sunday for 2 weeks so not sure if I will have time for it...

What do you guys think we create a Starcraft forum for matches and mixes?

Done! 😊

And guess what, my laptop does play it on low! 😊
