

game tips for beginners and intermediates.

Posted by eskimo - 16 Aug 2010 22:38

Macro tips :

[youtube:e5wv1fa4][/[youtube:e5wv1fa4](#)]

scouting tips :

[youtube:e5wv1fa4][/[youtube:e5wv1fa4](#)]

micro tips :

[youtube:e5wv1fa4][/[youtube:e5wv1fa4](#)] and [youtube:e5wv1fa4][/[youtube:e5wv1fa4](#)]

build orders / timing :

[youtube:e5wv1fa4][/[youtube:e5wv1fa4](#)] and [youtube:e5wv1fa4][/[youtube:e5wv1fa4](#)]

expansion timing:

[youtube:e5wv1fa4][/[youtube:e5wv1fa4](#)]

and [youtube:e5wv1fa4][/[youtube:e5wv1fa4](#)]

unit spot lights - voidrays :

[youtube:e5wv1fa4][/[youtube:e5wv1fa4](#)]

-Overlords:

[youtube:e5wv1fa4][/[youtube:e5wv1fa4](#)]

unit counters don't matter? :O -

[youtube:e5wv1fa4][/[youtube:e5wv1fa4](#)]

No, i have no watched them all. i just find this guy to be extremely useful and know what he is talking about. god for a learning resource. Just thought i would share.

Great idea!

But could use some more zerg tips, but then again not many are zerg..

Think the videos are great, they shed a lot of light into certain aspects of the game.

I watched them last night and think the explanations are clear and you do learn from them.
