

## TWK in sc2

Posted by liger - 28 Aug 2010 23:21

---

As soon as blizzard implements clan support, create twk? I think its pretty obvious sc2 is gonna "stick" for a long time. Dont know about ladder but ill surely keep playing it (at least if i have free time) even if it is just thru custom games

meh i dunno it just lacks something for me, and i do vary strats vp but i find it boring rly not overly loads of options.

Maybe time to try another race?
