

Streaming

Posted by macan285 - 08 Apr 2011 15:59

Hello guys I got a streaming channel.

I wanna know if you want me to stream or not.

I will streaming my ladders and even stream what you guys want me to do in SC2 so pls comment this if you want me to stream or not and if you want me to stream something special.

I play Zerg.

www.livestream.com/Dipa1

is where i stream
