Posted by Xenophobe - 15 May 2011 01:02

Well, I am looking for different Training friends willing to spend a few hours now and then to train builds against eachother etc etc... I've been getting coached by a friend of mine and we will soon start to aim for the top.

Therefore i thought i'd ask here for someone with a good personality and patience to spend a few hours with now and then 😊

If interested please reply or PM me, Also if you're interested in GETTING trained leave a shout aswell ...
