

Something fun we should all do :P

Posted by substick - 21 Aug 2011 17:16

I think we should get 8 people from twk and have a monobattle
or we should have an 8 man fra xD which would also be fun

that vid makes me wanna buy the game
'although from previous games like that my tactics rarely go beyond 'make a shit tonne of guys and make them go that way'

haha
it gets easier if you get used to the game
and also if you play online a lot

I miss playing RTS's... I should look into this game!

EDIT: Just saw its sodding price o.o

xD I suppose 😊
but still I love it xD
