

amatsu's application

Posted by amatsu - 11 Dec 2010 18:28

amatsu

STEAM_0:1:8170570

I'd like to join twk gaming because they have awesome servers and look like a fun community.

at the moment, I almost always play at | CSS#1 | Warcraft:Source @ TWKgaming.com

otherwise i also play a lot of de_dust2, no matter what server.
