

Intro_duction's application

Posted by Prince_Negaafellaga - 18 Dec 2010 19:14

Know before as Prince_Negaafellaga

Steam name: Intro_duction

Steam ID: STEAM_0:1:5754836 22:22 65 0

Reason for joining:

I really like TWK servers.

I know many people.

I have all races unlocked which was not easy and took me some time

Server where you play:

1) TWK Warcraft source

2) TWK GunGame deathmatch

sorry guys for my second application but I changed my name because i got boared with Prince.

Unfortunately I've received some negative feedback, mainly about map exploitation and ignoring admins, which means that your application is declined. We expect community members to set a good example on our servers. IF this changes permanently, feel free to re-apply in the future.
