

## Modemz Application

Posted by Modemz - 19 Dec 2010 21:16

---

Steam Name: Modemz

Steam ID: STEAM\_0:1:36718718 00:31 58 0

Reasons for joining: Enjoy playing the servers, used to play the servers a while back and i just recently came back xD also the community is generally nice.

Servers where you play: Warcraft and Both surf servers.

Thanks,

Max/Modemz 😊

Don't mind Vapour, he has unbalanced testosterone levels due to only just hitting puberty ... at 18 years of age. Typical late bloomer. So excuse his moody big man act.

Opposite of me then, I passed puberty in a matter of hours and went straight into grumpy old man stage 😊

I've begun playing again after a while, don't remember you from the past but hope we get along on the surf servers 😊
