Steam Name: kl3sh

Steam ID: STEAM\_0:0:4866918

Reasons for joining: I've put an application form in from the join us thing on the website, but found this as well so i'm not sure if that's working :/ Anyways, i'd like to join TWK,as i was playing the server before the update, and it's the only server i really play on any more as the community is great, and i'd like to contribute towards it 😊

Servers where you play: Wcs Server

Thanks 😊

Edit: I also play on the Skill surf server from time to time 😊
