

Ronzku'z Applicasion

Posted by Ronzku - 03 Feb 2011 14:40

Hey guys! My name is Roman, and i live in Finland.

Reason that i want to join TWKgaming, is that i really like to play WCS servers and i am friendly and helping. I am an average player, mut i play kinda much. Had a 2 year pause on CSS, but now back and love it:) I can speak 3 different languages, Finnish, Russian and English.

So it would be nice if you guys let me join in TWKgaming 😊
