

[NOR] Assassin wants to join twk

Posted by Redo97 - 17 Feb 2011 09:58

I, Assassin, have played on TWK's server for years. I have gotten familiar with the rules and most of the people that play on it.

I play mostly on the WCS server, but I go on the other servers when I get bored.

I want to join TWK because I want to be a part of a community, and since TWK servers are the only one I play on, I feel that its the most reasonable to do.

I hope for a positive answer.
