

Noobgameon application =)

Posted by masteraviv13 - 12 Mar 2011 21:30

heey ,

my name is Matthias,

I live in Belgium in Europe 🇪🇺

I play CSS for 5 years and always a wcs server,

but since i found this one,

my parents can't get me off the computer ^^

i will play as long as there are friends of me and people stay playing it,

if it depends from me i play this server for another 100 years ^^

And i really like to join twk 🇪🇺

greetzz Matthias

*questions just ask ^^

=====

i got a question ^^

Can you put your post in this form: www.twkgaming.com/index.php?option=com_k...15111&Itemid=344

you can use the edit button.

Thx

kk 😊

Steam Name: (Noobgameon)

Steam ID: your steam ID (0:0:31970505)

Reasons for joining: (well, I really love twk-gaming,

the headreason i wanna join isi'd like to help the server with the lead,
there are much funny,nice and sweet players also some of my friends.)
Servers where you play: (the twk-server
and sometimes a zombie but i'm still looking for a zombie twk server 🤔
(someone knows the ip adres just tell me 🙏)

any other questions? 🤔

i tried it but i've got only 1 problem almost every map we go to,

the computer says it's a missing map :S

how can i make this undone? someone knows?

greetz
