👋 Hello I would like to join you steam group -TWK-. I really enjoy playing on your servers and i really would like to be playing under your clan. My main reason for joining this clan is because i love to play on your wcs server and some times player are braking the rules and because of that players are suffering and i would like to at least make them follow the rules when i tell them, however i can achieve that only by joining your clan. I will provide you will all information that you will need to contact me. Thank you very much.
