Steam Name: Substick

Steam ID: STEAM\_0:1:16139774

Reasons for joining: I would like to join TWK because I was in it about a year and a half ago before I took a big break from CSS; back then i played the WCS server and had a high total level in it. I recently started playing CSS again and also started playing the WCS server which is extremely fun 😊

Servers where you play:

Warmcup minigames - 92.48.112.10:27015

TWK WCS - 81.19.209.200:27030

I also play loads of random surf servers since i love surf 😊

I also meant to put in that i play Starcraft 2 a lot aswell 😊
