Great I got a list for you 🤔

I like some food so fix me a pizza.

You aren't allowed to kill me.

You refer to me as Master Supa.

Everytime you join the server and i'm on it. You say "Hallo, Master Supa" 10 times.

You will sacrifice your life for me each chance you get.

You always make sure you kill Mr.Moo and M3ntoz.

Ofcourse to be only fair you get a 🍷
