hey everyone its me deafness 😊  
as most of you saw me play once or twice or even everyday on the server, and i just wanna join in the community of all these awesome people, which with some i became friends or not 😊

Steam Name: Deafness

Steam ID: STEAM\_0:1:16077561

Reasons for joining: well even though i am a member since 2009 and i used to have the TWK clan tag but then the server and the whole css had an update and since then i havent been playing and now i have joined back to TWK for a month or so and im loving the fact its still running and everything, so i just want to get my tag back thats my reason for applying really 😊

Servers where you play: well ofc its the one and only TWK servers... pff.... 😊
