Posted by Demonic - 20 Aug 2011 17:52

So, Hi there!

Since the updates and stuffs been about I stopped playing, but have dropped by the forums once a while. Then my acc got hhacked and my groups where deleted...

So, here's my second application:

Steam Name: Demonic

Steam ID: STEAM_0:0:6023523

Reasons for joining: Well, I'm already a member and would like to use the TWK tag when I'm gaming. Plus your forums are really fun

Servers where you play: WCS Server, and I'd also like to help out the best I can on it 😊
