Is this okay? My ign is: You Mad Bro!? (same name)

If I join, is it okay if I'd change my name?

I think we should lock this. There is no point dwelling over the matter when the guy wasn't actually trying to be mean. 😏
He isn't going to join any more anyway 😏

Edit: Also nobody should be banned for making a comment like that 😏
Banning somebody for that is far too harsh

I banned him from the site only - I cba with *Edit : adjectives and noun removed*. Doesnt bother me where he plays, he just burnt his bridge where the forums are concerned (my hormones are not to be messed with atm!)

The matter has been long closed 😏
